Finding Nursing Articles Using CINAHL Plus

CINAHL Plus with Full Text is the world’s most comprehensive source of full text for nursing & allied health journals, dating back to 1937 and indexing more than 750 journals on topics of nursing, biomedicine, health sciences librarianship, alternative/complementary medicine, consumer health and 17 allied health disciplines.

Getting to CINAHL Plus

Access the Biomed Library Homepage.

You can get there a number of ways:
- From the UCLA Library home page <http://www.library.ucla.edu/>, go to Locations and choose the Biomedical Library.
- Or go directly to: http://www.library.ucla.edu/biomed

From the UCLA Biomedical Library home page, click on Key Resources on the left-hand side.

You’ll find CINAHL Plus listed under Article Databases

Searching on CINAHL Plus

Type in your search terms in the query box and click search.
Getting the Full Text

Click on the \textcolor{red}{UC-eLinks} button. The UC-eLinks menu allows you to see if the UCLA Library subscribes to this material in either print or online form.

- **Online Access might be Available.** Click any link to check for the full-text.
- **Check the UCLA Library Catalog** if there is no option to get it online.
- If UCLA does not have the article, request the article from another library (must be a current UCLA student, staff, or faculty).

**REMINDER:** If accessing CINHAL Plus off-campus, and you are a current UCLA student, staff, or faculty, you will need to set up your proxy. To do that, go to:

http://www.bol.ucla.edu/services/proxy/

If you need additional help, research assistance is available at the UCLA Biomedical Library. Feel free to call us at (310) 825-4904 Option 3, email us at biomed-ref@library.ucla.edu, or come in to the Biomedical Library during the hours of 1pm - 5pm M-F for reference help.
